Deadline May 2 For Veterans' Tax Exemption

Five p.m., May 2, 1960, will be the deadline this year for claiming veterans property tax exemption.

Those applying for the veterans exemption who do not have a 1960 receipt for the exemption claim are urged to file with the County Assessor's office at once. Each year when the veterans exemption is claimed, the deputy assessor issues a receipt. This permits anyone to determine readily whether he has filed the current claim.

Arthur H. Tryon, Director of the Veterans Service Center, pointed out that the 1959 State legislature reduced the time for claiming the veterans tax exemption effective this year, 1960.

The final day, 5 p.m., on the first Monday of May this year, is a statutory deadline, and no one can extend the time. When a veteran is busy, his wife may file, but failure to file forfeits a veteran's rights for a year. A deputy assessor is located at the Torrance city hall.

radio and motion picture series, will give the prologue to a one act play "No. 3 Maple Street." Written by the Theater Wing, this 30 minute play depicts the Public Health Nurse making a home visit and will be performed by a cast selected from Department personnel.

THE CITIZENS' Advisory Committee is an auxiliary organization of the Los Angeles County Health Department composed of civic minded people who devote their time and skills in assisting the Bureau of Public Health Nursing in providing the best possible public health service to the residents of the areas served by the Department. Members of the committee recruit volunteers, sponsor special public health programs, and advise the staff of community needs in the field of health.

Isham Speaks To Local GOP

Vincent L. Isham, candidate for the Republican nomination of the 17th Congressional District, was guest speaker at the Torrance Republican Club at its regular Tuesday night meeting.

Isham, a local realtor, has been in business since 1945. Because of his extensive business operations with local homeowners, Isham is acutely aware of the issues in the 17th Congressional District. As a result of his business dealings with small home owners he has acquired a thorough understanding of the problems and aspirations of the average home owner.

"People in this 17th District demand less taxation on income, increased production in our local defense plants, a reduction in the eligible age for Social Security benefits from 65 to 62, and in hardship cases from 65 to 60. Isham is for a Civil Rights program as sponsored by the Eisenhower Administration," he said.

Tom Brewer, club president, announced that the 68th Assembly Headquarters will be opened at 1406 Cravens Ave. Volunteer workers are needed to staff the office. For particulars call DA 6-7740 or MADISON 8-8151.

Phone Firm Promotes Local Woman

Mrs. Beverly J. Desmond, of 2623 W. 178th St., has been appointed special assistant for Pacific Telephone in Compton, the company announced this week.

In her new assignment, Mrs. Desmond supervises a group of young telephone women who are responsible for the posting and checking of construction engineering records, as well as accounting for all outside telephone equipment in the Los Angeles and Ventura counties.

Mrs. Desmond started with Pacific Telephone in 1947 as an operator working part time. Since then she has held various assignments in the plant department, which serve as background knowledge for her recent promotion.

Her husband Tom is also employed as an installer in Gardena. They have two sons, Tommy, 6, who attends Arlington elementary school, and Mark, 2 1/2.
